

RACE PRODUCTS

Adjustable Roll Centre Watts Link

Race Products have developed a **Universal Fitment Watts Link Kit with Adjustable Roll Centre.**
For fine tuning of your suspension.
The standard kit is available for lightweight cars (up to 12-1300KG)
The Heavy Duty kit is available for larger cars.

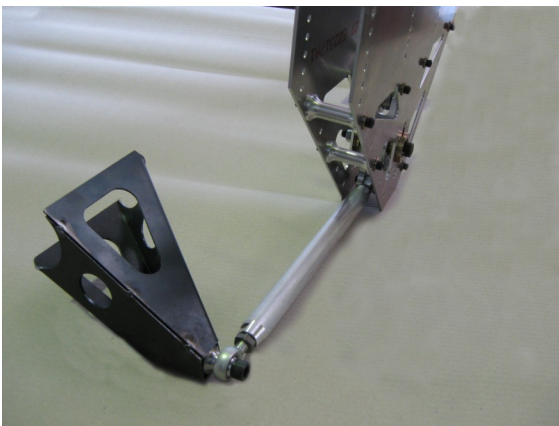

**We offer either Heavy or Lightweight kit in 2 different sizes, to suit cars with lower boot floors,
or very low ride heights**

The Watts Link Bell Crank is CNC Machined from Aircraft Grade 6061 aluminium, and fitted with a quality bearing.

Adjustment is carried out quickly and easily, and the locking system ensures it stays securely set.

Top quality USA Sourced Rod Ends are used
Brackets are CNC drawn, laser cut, and folded for accuracy.
Watts Arms Are machined from Billet 6061 Aluminium.
